From the Pastor's Desk

As we begin this new month, we are also entering a new season. During the month of June, we are boldly declaring that we are embracing new possibilities.

The prophet Isaiah reminds us in Isaiah 43:19, "Behold, I will do a new thing; now it shall spring forth; shall ye not know it?" God is always at work doing something new in our lives, our church, and our community. The question is not whether God is doing a new thing, but whether we are willing to embrace it.

When a new season arrives, things begin to look different. Circumstances change, opportunities emerge, and God often calls us to step forward in faith. Rather than resisting change, we are challenged to trust God and embrace the new possibilities He places before us.

This month provides us with many opportunities to witness God's hand at work. As we remember the Emmanuel Nine, we honor lives that remind us of the power of faith, perseverance, and hope in the face of tragedy. As we celebrate Father's Day, we thank God for fathers, mentors, and spiritual leaders who help shape future generations. During Vacation Bible School, we will invest in our children and youth, planting seeds that will produce a harvest for years to come. On Academic Recognition Sunday, we will celebrate those who have achieved educational milestones and are stepping into new chapters of life and opportunity.

As we begin this new season together, let us not be afraid of what is ahead. Let us hold to God's unchanging hand and trust that the new thing God is doing is designed to move us forward and not backward. May we embrace every opportunity, every challenge, and every blessing with faith, courage, and expectation.

Together, let us embrace new possibilities.
